

Finishing Your ILP

Prepare Your Final Copy

The final copy of your ILP is submitted to your faculty advisor electronically and once approved you will receive back a PDF version plus your WORD version. Print the PDF version.

Have bound at Kinko's or Staples or a copy company.

Instructions for binding:

- ❖ Copy single sided
- ❖ Tape bind with clear acetate front cover and black cover stock back cover
- ❖ Submit 2 final copies to your Faculty Advisor
- ❖ Include final paperwork: Commitment regarding Plagiarism
- ❖ Include 2 copies of your Title Page & Abstract Page (this is separate and not bound)

Please note that your ILP becomes the permanent property of Cambridge College; make a duplicate copy for your personal library and for your faculty advisor if he or she requests it. I request a copy for my records so submit a final electronic copy to me as well on a flash drive or other medium.

Remember, that in addition to submitting your completed ILP, you must submit a separate copy of your title page and abstract.

And finally, CONGRATULATIONS – please celebrate your success!
